

September 22 & 23, 2010  
Santa Clara Convention Center  
Santa Clara, CA

## CALL FOR SPEAKERS

Do you want a better return on your trade show investment? You are invited to speak at the conference portion of the *Northern California Facilities Expo / Managing Green Buildings*. The one-hour session allows you to reach a qualified audience of industry professionals in a hands-on, direct capacity that could lead to sales! Sessions should be non-commercial in content.

### BENEFITS:

- Share your expertise with industry professionals
- Address the audience you want to reach
- Exposure for you and your company
