

Dear EMS EXPO 2010 Exhibitor:

We're pleased to announce that EMS EXPO 2010 in Dallas once again will feature the NAEMT Silent Auction, which directly benefits the NAEMT scholarship program.

NAEMT is the only national organization dedicated to serving and representing the professional interests of EMS practitioners. The Silent Auction provides the organization with a source of dedicated funding for scholarships, which are awarded to qualified EMS practitioners who wish to advance their EMS education. These scholarship contributions are administered through the NAEMT Foundation, a 501(c)(3) nonprofit organization — and as such, your contribution is **tax-deductible**.

Last year alone, NAEMT awarded more than \$25,000 to qualified individuals. These funds served as a tremendous resource to those with educational motivation and passion for the profession who need financial assistance to fully realize their dreams and ambitions. Given the current economic climate, a scholarship program such as this is of great demand and benefit.

Together, we ask for your support and request that you offer a product or service, valued at \$25 or more, to the NAEMT Silent Auction. It will be bid on by attendees on Wednesday and Thursday, September 29 and 30, during exhibit hall hours. The Silent Auction is located in booth #1215 in conjunction with the NAEMT booth at the Dallas Convention Center.

We need your company's participation to help make this annual event a success.

To participate, simply send a completed **NAEMT Silent Auction registration form** to Keshia Robinson, e-mail: keshia.robinson@naemt.org, fax 601-924-7325. Or, when you're at the show, please bring the form and item(s) to the NAEMT Silent Auction booth #1215 in the EMS EXPO exhibit hall on Wednesday, October 28, prior to 11 a.m. The exhibit hall opens at 12 noon.

On behalf of NAEMT members who look to continue their EMS education, we thank you for your consideration and look forward to your company helping to make the NAEMT Silent Auction a great success. Your contributions are vital to our scholarship program.

See you at EMS EXPO!
