Hands-on Training On-Site Information

As a reminder, all Hands-On Training classes have a Prerequisite Training Requirement, if you have submitted your prerequisite thank you, if not please do so immediately.

Registrants must be at least 18 years of age and must submit a copy of your NFPA 1001 Standard for Fire Fighter Professional Qualifications / Fire Fighter 1 completion card/certificate (minimum requirement, may send certificates that exceed FF1), or state/national professional qualifications certificate, or notarized letter from FD Chief that attests to completion of such training must be faxed to **952.894-6818** or emailed to HotCertificate@FirehouseWorld.com immediately.

Class Times

Sunday, February 28 8:00 am to 4:00 pm
Monday, March 1 8:00 am to 4:00 pm

Participants departing from the San Diego Convention Center should arrive at the center **no later than 20 minutes prior to their scheduled bus departure time to check-in**. Registration will open at 6:30am at the Convention Center. **Please note that most classes only have 1 bus going to the training site, it is very important that you are on time.**

Participants who are driving directly to the training sites should arrive at their respective site no later than 7:45 am, to check-in (see Drive and Park below).

Shuttle buses will stop directly at all official hotels and at the Convention Center on the return trip.

Drive and Park

Free parking will be available for those who drive directly to the training sites. The addresses for each training site are listed below.

Check-In Procedure

Upon your arrival at the San Diego Convention Center or training site, you will be checked in by our staff and required to obtain a sticker badge and sign a liability waiver each day you participate in the training. All participants must be at least 18 years of age and have completed NFPA 1001 Standard for Fire Fighter Professional Qualifications / Fire Fighter 1. If you are attending classes on both Sunday and Monday, remember you will need to check in and get a badge EACH day.

Health & Safety

Hands-On Training courses are physically demanding. Plan your activities the night before accordingly. Please arrive well-rested and prepared to participate.

Rehab

Bottled water and lunch will be provided on both days.

Equipment

Gear requirements for each class are listed below. Your gear must be full OSHA compliant Personal Protective Equipment (PPE), including SCBA and Cylinder. Hydrostatic testing of all cylinders must be current. A lot of equipment looks alike, so be sure to label your gear appropriately, including your cylinders. You should arrive with your air bottles full; however, we will have filling stations available at the training sites. **The airlines and TSA will not allow air bottles to be transported. We recommend that you make arrangements to ship your empty air bottles to your hotel via ground transportation, UPS or FedEx.**
